2. INTRODUCTION

"WINNERS TOKEN", THE NEW ERA OF CRYPTO LOTTERIES.

Welcome to WINNERS TOKEN. The token that invites you to also become a great winner.

Winners Token arises with the intention of entering the market of casinos and lotteries moved entirely by cryptocurrencies.

Our purpose is to ensure that the digital asset is used for lotteries and casinos, as well as for payments of products and services, thus becoming an asset with liquidity and consistency in the market.

The scale of this global growth is increasingly extensive and advancing, where everything really goes for a single purpose of being cryptocurrency. So we decided to launch a token, known as Winners Token, so that investors in this field, seek to innovate their way and means of investing, obtaining better profits, better returns with the Hold Stake system.

Also having new fun methods, betting and following the daily draws of Winners Token in the market, while winning a lot in bitcoins.

On top of that, we want to make it clear that we will seek leadership in the area of lotteries within the cryptocurrency market. We even more and more support the idea of life free of government interventions and monopolized financial institutions, thus seeking the freedom to govern a new safe and secure private period for all of us who seek to live more and more on the irrefutable technology that Bitcoin gives us. provides We will always be grateful to our lantern, Satoshi Nakamoto.

3. PRESENTATION

What is a cryptocurrency?

Cryptocurrency or Cryptoactive is a terminology used to refer to encrypted digital money, created to guarantee the protection and security of people.

With a monetary value, which unlike traditional currencies only exists in the digital universe, in the same way as other types of currencies, Cryptocurrencies are mostly used for the purchase of goods and services, but their main advantage is that They are not linked to any banking system. So their transfers over the internet, for example, become cheaper, because there is no need to pay commissions from financial institutions.

Cryptography in currencies is done through hard-to-decipher source codes, to avoid hackers and other online criminals.

THE FUTURE BELONGS TO CRYPTOCURRENCY

Unlimited; There is no restriction on deposits with cryptocurrencies, you are free to transfer any amount.

- **Anonymity;** Only the owner has access to the cryptocurrency wallet and its data.
- **Fast payments;** Banks cannot block transactions and the speed of one is limited by the speed of Blockchain.

4. PROJECT / PLATFORM

Understand the operation of the Winners Token platform

- Winners Token is a fast and secure platform with multiple draws, using the best current tools to promote much more winners.
- The user buys a Token in an exchange and sends them for the address of his account on the platform

Each Ticket can be exchanged for WNS Token within the platform.

- After exchanging the WNS token for a ticket, just wait for the draw tickets to complete and follow the percentage level on the platform.

Did you see how simple it is to participate?

- Each draw will have limited amounts of tickets, which means it will increase your chances of winning even more.
- Guaranteed payments: check the balance of each draw in the WNS wallet at any time.
- Privileges for everyone! Consider the benefits we offer to our investors.
- A positive relationship with each client. That, by the way, our customers are very important to us.

WITH WINNERS TOKEN IT IS MUCH EASIER TO WIN!

Invitation bonus / Loyalty Plan

- "Each user will receive a referral link, to earn 1 ticket for every 10 members who are active referrals to further increase the chances of winning in the action plan."
- Each active member of the WINNERS community will have a referral link.
- For every 10 referred assets you receive 1 free ticket (you must buy 1 individual ticket for your reference to be active on the Platform).
- On the loyalty level, you buy 10 tickets and earn 1, further increasing your chance of winning.

5. UNDERSTANDING THE REVOLUTION

Traditional Lotteries:

- You make a bet, which is saved on the lottery server.
- Your data is collected and stored on lottery servers.
- To receive your earnings, you must go through a long authorization procedure.
- The balance of the lottery is not public, and its issuance capacity is impossible to verify.
- You compete with millions of people, almost impossible to be a winner.

Winners token lottery with honesty and integrated security:

- You place a bet that is registered in the blockchain.
- Your data is not identified and stored in an encrypted format.
- You can verify the record of each game result in the blockchain.
- You can instantly withdraw your winnings to your encryption wallet without commissions or additional checks.
- The balance of the lottery is shown publicly in the blockchain.
- Limited tickets, which greatly increases your chances of winning.
- Draws made live through the official WINNERS TOKEN channel.

6. WINNERS STORE

- A sales platform for products and services.
- Fee payments on the services of our partners.
- Ticket Payments
- Refills in mobile operators.
- Credit sales for games on all platforms, Xbox, Ps, Cpu.
- Sales of exclusive Winners products.

Donations

- 165 million children are malnourished worldwide.
- A child dies of hunger every 10 seconds.
- Unfortunately, this is our current reality.
- Looking at these and other data, we created this innovative lottery system to help many of these innocent souls who are children in need throughout the country.
- 5% of the total amount collected in each draw will go to a public wallet (cryptocurrency wallet), which at the end of the month we will make donations to various charities for children located throughout the world.
